ABOUT US

Flame King is dedicated to providing world-class products that are second to none.

For over twenty five years we have been providing the highest quality, service and value for our customers throughout the world, as well as a broad line of advanced and innovative products.

Our customer-focused approach has led the way for Flame King to be seen as the fastest growing company within the industry, and recognized as a market leader around the world.

Flame King offers a complete line of steel portable propane cylinders, which come in various sizes ranging from 1 lb. to 420 lbs. They are used across many industries from recreational, commercial and industrial to home applications.

These cylinders are manufactured to Department of Transportation (DOT) or Transport Canada (TC) specifications in facilities that have a Quality Management System certified to ISO 9002 requirements.

Flame King's ASME certified tanks and cylinders are manufactured to ASME specifications in facilities that have a Quality Management System certified to ISO 9002 requirements.

You'll find that the quality of our customer service equals that of the propane tanks we deliver. Like all of our products, each propane tank and cylinder meets or exceeds industry regulations for quality, and is manufactured in facilities that have won awards for proactive safety practices and regulations.

We look forward to servicing your propane tank needs!

PROPANE TANKS

Flame King prides itself on producing the highest quality premium, refillable propane tanks on the market. From 1lb up to 420lb tanks, we've got you covered.

3 Lb Steel Propane Tank Cylinder with Gauge and OPD Valves

- Flame King 3-Pound Steel Propane Cylinder with Type 1 Overflow Protection Device Valve and Built-in accurate gauge
- Portable size – ideal for camping, ice fishing, BBQ
- High grade steel welded construction
- Premium OPD valve assembly; Dot Approved

#YSN03

Weight: **7.38 lb**
Dimensions: **7.5 x 7.5 x 10.75 in**, Pallet quantity: **240 pieces**

5 Lb LP Cylinder w/OPD

- Rugged, high grade steel welded construction
- Premium OPD valve assembly
- Portable size – ideal for camping, ice fishing, BBQ
- Easy to hold collar
- Pre-purged cylinder – ready to be filled
- Great for portable grills, fire pits, heaters and over-landing

#YSN5LB

Weight: **10 lb**, Capacity: **1 gal**
Dimensions: **8.1 x 8.1 x 12.8 in**, Pallet quantity: **140 pieces**

5 Lb LP Cylinder w/OPD & Gauge

- Flame King 5-Pound Steel Propane Cylinder with Type 1 Overflow Protection Device Valve and Built-in accurate gauge
- High grade steel welded construction
- Premium OPD valve assembly; Dot Approved
- Great for portable grills, fire pits, heaters and over-landing

#YSN5LB-GAUGE

Weight: **10 lb**, Capacity: **1 gal**
Dimensions: **8.1 x 8.1 x 12.8 in**, Pallet quantity: **140 pieces**

10 Lb LP Cylinder w/OPD

- High grade steel welded construction
- Premium OPD valve assembly
- X-ray and hydro-static tested
- Powder coated for long lasting exterior protection
- DOT-approved
- Great for camping, grills, heating, fire pits, over-landing

#YSN10LB

Weight: **14 lb**, Capacity: **2.5 gal**
Dimensions: **9 x 9 x 17.8 in**, Pallet quantity: **100 pieces**

11 Lb LP Squatty Cylinder w/OPD & Gauge

- Rugged, high grade steel welded construction.
- Rust inhibiting Durabond, powder coated for long lasting exterior protection.
- Interiors that are clean, dry and scale free.
- Comfortable hand-holds for easier lifting.

#YSN11SQT

Weight: **14 lb**, Capacity: **2.5 gal**
Dimensions: **12 x 12 x 13 in**, Pallet quantity: **84 pieces**

20 Lb LP Cylinder w/OPD

- High grade steel welded propane cylinder
- Premium OPD valve assembly
- X-ray and hydro-static tested
- Powder coated for long lasting exterior protection
- Great for grills & BBQ

#YSN201

Weight: **18 lb**, Capacity: **5 gal**
Dimensions: **12.3 x 12.3 x 17.8 in**, Pallet quantity: **60 pieces**

20 Lb LP Cylinder w/OPD & Gauge

- Flame King 20-Pound Steel Propane Cylinder with Type 1 Overflow Protection Device Valve and Built-in accurate gauge
- High grade steel welded construction
- Premium OPD valve assembly; Dot Approved
- Powder coated for long lasting exterior protection

#YSN230

Weight: **18 lb**, Capacity: **5 gal**
Dimensions: **12.3 x 12.3 x 17.8 in** Pallet quantity: **60 pieces**

20 Lb Horizontal Propane Cylinder

- Flame King 20-Pound Steel Horizontal Propane Cylinder with Type 1 Overflow Protection Device Valve and Built-in accurate gauge
- EZ-HANDLE collar design. Collar has a built-in formed handle with no sharp edges
- Rust inhibiting Durabond, powder coated for long lasting exterior protection

#YSN201HZL

Weight: **20 lb**, Capacity: **5 gal**
Dimensions: **17 x 13 x 12 in**, Pallet quantity: **60 pieces**

PROPANE TANKS

Flame King prides itself on producing the highest quality premium, refillable propane tanks on the market. From 1lb up to 420lb tanks, we've got you covered.

30 Lb LP Cylinder w/OPD

- Pre-purged vacuum ready for filling with LP gas – Department of Transportation (DOT) and Transport Canada (TC) certified
- Constructed from high grade welded steel and powder coated for durability
- Premium OPD (overfilling prevention device) valve assembly which is required by law in most States.

#YSN301

Weight: **25 lb**, Capacity: **7 gal**
Dimensions: **12.3 x 12.3 x 23.7 in**, Pallet quantity: **48 pieces**

30 Lb LP Cylinder w/OPD & Gauge

- Flame King 30-Pound Steel Propane Cylinder with Type 1 Overflow Protection Device Valve and Built-in accurate gauge
- High grade steel welded construction
- Premium OPD valve assembly; Dot Approved

#YSN330

Weight: **25 lb**, Capacity: **7 gal**
Dimensions: **12.3 x 12.3 x 23.7 in**, Pallet quantity: **48 pieces**

30 Lb Horizontal Propane Cylinder

- Flame King 30-Pound Steel Horizontal Propane Cylinder with Type 1 Overflow Protection Device Valve and Built-in accurate gauge
- EZ-HANDLE collar design. Collar has a built-in formed handle with no sharp edges
- Rust inhibiting Durabond, powder coated for long lasting exterior protection

#YSN301HZL

Weight: **30 lb**, Capacity: **7 gal**
Dimensions: **24 x 14 x 12 in** Pallet quantity: **48 pieces**

40 Lb LP Cylinder w/OPD

- Pre-purged vacuum ready for filling with LP gas – Department of Transportation (DOT) and Transport Canada (TC) certified
- Constructed from high grade welded steel and powder coated for durability
- With a standard-size connection valve, the 40lb connects as easily as smaller tanks.

#YSN401

Weight: **34 lb**, Capacity: **10 gal**
Dimensions: **12.3 x 12.3 x 29.3 in**, Pallet quantity: **36 pieces**

60 Lb LP Cylinder w/POL

- High grade steel welded propane cylinder
- POL valve assembly
- X-ray and hydrostatic tested
- DOT approved
- Powder coated for long lasting exterior protection
- Tank comes empty, pre-purged and ready to fill

#YSN60LB

Weight: **52 lb** Capacity: **13.4 gal**
Dimensions: **44.5 x 12 x 12 in**, Pallet quantity: **24 pieces**

100 Lb LP Cylinder w/POL Valve

- 100-pound Steel Propane Cylinder with 10%
- POL Valve & Collar
- High grade steel welded propane cylinder
- POL valve assembly
- X-ray and hydro-static tested
- DOT approved

#YSN100

Weight: **70 lb**, Capacity: **25 gal**
Dimensions: **14.7 x 14.7 x 50 in**, Pallet quantity: **18 pieces**

100 Lb LP Cylinder Multi Valve

- High grade steel welded POL multi-valve assembly
- X-ray and hydro-static tested
- DOT approved
- Powder coated for long lasting exterior protection

#YSN100MLT-1

Weight: **70 lb**, Capacity: **25 gal**
Dimensions: **15 x 15 x 50 in**, Pallet quantity: **18 pieces**

420 Lb Cylinder w/float gauge/relief valve

- 3/4 inch ACME Fill valve, Remote Ready Gauge,
- Service and Relief valves
- High quality valves installed
- Vacuum purged, X-ray and hydro-static tested.
- Pre-purged vacuum ready for filling with LP gas
- Durable powder coated for long lasting rust protection
- Lid cover installed, regulator not provided
- DOT Certified

#YSN420DOT

Weight: **299 lb**
Capacity: **120 gal**
Dimensions: **30 x 30 x 54 in**, Pallet quantity: **9 pieces**

THE ALUMINUM COLLECTION

1 Lb Refillable LP Cylinder, 16.4oz., Aluminum

- Legally and lawfully refillable
- High grade aluminum construction
- Certified for 12 years (10 years in Canada)

#FK-1LB-ALM

Dimensions: **3.75 x 3.75 x 8.25 in**
Case quantity: **30**
Pallet quantity: **960 pieces (30 cases)**

5 Lb Refillable LP Cylinder, Aluminum

- Legally and lawfully refillable
- High grade aluminum construction
- Certified for 12 years (10 years in Canada)

#YSN5LB-ALM

Capacity: **1 gal**
Dimensions: **8.1 x 8.1 x 12.8 in**,
Pallet quantity: **140 pieces**

10 Lb Refillable LP Cylinder, Aluminum

- Legally and lawfully refillable
- High grade aluminum construction
- Certified for 12 years (10 years in Canada)

#YSN10LB-ALM

Capacity: **2.5 gal**
Dimensions: **9 x 9 x 17.8 in**,
Pallet quantity: **100 pieces**

20 Lb Refillable LP Cylinder, Aluminum

- Legally and lawfully refillable
- High grade aluminum construction
- Certified for 12 years (10 years in Canada)

#YSN201-ALM

Capacity: **5 gal**
Dimensions: **12.3 x 12.3 x 17.8 in**,
Pallet quantity: **60 pieces**

30 Lb Refillable LP Cylinder, Aluminum

- Legally and lawfully refillable
- High grade aluminum construction
- Certified for 12 years (10 years in Canada)

#YSN301-ALM

Capacity: **7 gal**
Dimensions: **12.3 x 12.3 x 23.7 in**,
Pallet quantity: **48 pieces**

40 Lb Refillable LP Cylinder, Aluminum

- Legally and lawfully refillable
- High grade aluminum construction
- Certified for 12 years (10 years in Canada)

#YSN401-ALM

Capacity: **10 gal**
Dimensions: **12.3 x 12.3 x 29.3 in**,
Pallet quantity: **36 pieces**

FORKLIFT & BUFFER TANKS

#YSN335

33.5 Lb Steel Forklift Cylinder with Gauge

- Liquid draw design for use in forklift applications.
- Durable construction and built-in gauge. Can be mounted horizontally or vertically
- Pre-purged vacuum ready for filling with LP gas – x-ray and hydro-static tested. Department of Transportation (DOT) and Transport Canada (TC) certified and Ul listed
- Constructed from high grade welded steel and powder coated for durability

Weight: **35 Lb**, Capacity: **8 gal**

Dimensions: **12.3 x 12.3 x 26.9 in**, Pallet quantity: **36 pieces**

#YSN435

43.5 Lb Steel Forklift Cylinder with Gauge

- Liquid draw design for use in forklift applications.
- Durable construction and built-in gauge. Can be mounted horizontally or vertically
- Pre-purged vacuum ready for filling with LP gas – x-ray and hydro-static tested. Department of Transportation (DOT) and Transport Canada (TC) certified and Ul listed
- Constructed from high grade welded steel and powder coated for durability

Weight: **45 lb**, Capacity: **10 gal**

Dimensions: **12.3 x 12.3 x 33.5 in**, Pallet quantity: **24 pieces**

#YSN335-ALM

33.5 Lb Aluminum Forklift Cylinder with Gauge

- Forklift ready – this tank features a liquid draw design for use in forklift applications. Durable construction and built in gauge. Can be mounted horizontally or Vertically
- Safety first – Flame King tanks are Pre-purged vacuum ready for filling with LP gas – they are x-ray and hydro-static tested plus Department of Transportation (DOT) and Transport Canada (TC) certified as well as Ul listed
- High quality – each tank is constructed from high grade welded aluminum
- Includes the ACME quick Fill Valve

Weight: **22.7 lb**, Capacity: **8 gal**

Dimensions: **12.3 x 12.3 x 26.9 in**, Pallet quantity: **36 pieces**

#YSN435-ALM

43.5 Lb Aluminum Forklift Cylinder with Gauge

- Forklift ready – this tank features a liquid draw design for use in forklift applications. Durable construction and built in gauge. Can be mounted horizontally or Vertically
- Safety first – Flame King tanks are Pre-purged vacuum ready for filling with LP gas – they are x-ray and hydro-static tested plus Department of Transportation (DOT) and Transport Canada (TC) certified as well as Ul listed
- High quality – each tank is constructed from high grade welded aluminum
- Includes the ACME quick Fill Valve

Weight: **28 lb**, Capacity: **10 gal**

Dimensions: **12.3 x 12.3 x 33 in**, Pallet quantity: **24 pieces**

#YSN202BT

20 Lb Single Spud LP Buffer tank w/gauge

- For use on propane powered floor waxing, burnishing and polishing machines that use propane
- Comes with convenient installed propane vapor valve and level gauge, so you can always tell how much propane you have
- Newly designed all-in-one multi valve
- Powder-coated for long lasting exterior protection
- High grade steel welded construction

Weight: **28 lb**, Capacity: **5 gal**

Dimensions: **12 x 12 x 19 in**, Pallet quantity: **48 pieces**

ASME TANKS

100 Lb Tank w/Valves, Gauge & Lid

- Equipped with Multi-valve (service port, fill port, fixed liquid level port and relief valve) as well as a gauge
- Vacuum purged, X-ray and hydro-static tested
- Durable powder coated for long lasting rust protection
- Lid cover installed

Weight: **108 lb**
Capacity: **25 gal**
Dimensions: **21 x 21 x 33 in**
Pallet quantity: **16 pieces**

#YSN100ASME

200 Lb Tank w/Valves, Gauge & Lid

- Equipped with Multi-valve (service port, fill port, fixed liquid level port and relief valve) as well as a gauge
- Vacuum purged, X-ray and hydro-static tested
- Durable powder coated for long lasting rust protection
- Lid cover installed

Weight: **162 lb**
Capacity: **50 gal**
Dimensions: **24 x 24 x 41 in**
Pallet quantity: **9 pieces**

#YSN200ASME

420 Lb Cylinder w/float gauge/relief valve

- Never run out of propane with the built-in accurate liquid level gauge
- Pre-purged vacuum ready for filling with LP Gas
- High grade steel welded construction
- X-ray and hydro-static tested

Weight: **299 lb**
Capacity: **120 gal**
Dimensions: **30 x 30 x 54 in**
Pallet quantity: **9 pieces**

#YSN420ASME

GALVANIZED TANKS

100 Lb DOT Galvanized Cylinder

- Equipped with Multi-valve (service port, fill port, fixed liquid level port and relief valve) as well as a gauge
- High quality REGO USA made valves installed
- Vacuum purged, X-ray and hydro-static tested
- Durable powder coated for long lasting rust protection

Weight: **70 lb,**
Capacity: **25 gal**
Dimensions: **14.7 x 14.7 x 50 in**,
Pallet quantity: **18 pieces**

#YSN100-GALV

200 Lb ASME Galvanized Cylinder

- Equipped with Multi-valve (service port, fill port, fixed liquid level port and relief valve) as well as a gauge
- Vacuum purged, X-ray and hydro-static tested
- Durable powder coated for long lasting rust protection
- Lid cover installed

Weight: **162 lb**
Capacity: **50 gal**
Dimensions: **24 x 24 x 41 in**
Pallet quantity: **9 pieces**

#YSN200ASME-GALV

420 Lb ASME Galvanized Cylinder

- Never run out of propane with the built-in accurate liquid level gauge
- Pre-purged vacuum ready for filling with LP Gas
- High grade steel welded construction
- X-ray and hydro-static tested

Weight: **299 lb**
Capacity: **120 gal**
Dimensions: **30 x 30 x 54 in**
Pallet quantity: **9 pieces**

#YSN420ASME-GALV

HOG TANKS

Easy Transport ***Vertical or Horizontal!***

#YSN20HOG

#YSN30HOG

#YSN40HOG

20Lb, 30Lb & 40 Lb Horizontal & Vertical Propane Cylinder w/OPD, Gauge & Wheels

- Never run out of propane – built-in accurate gauge
- The HOG can be used both vertically and horizontally
- EZ-HANDLE collar design. Collar has a built-in formed handle with no sharp edges
- Built-in wheels for ease of transport
- Rugged, high grade steel welded construction
- Rust inhibiting Durabond, powder coated for long lasting exterior protection
- Clean, dry and scale free interiors

60Lb & 100 Lb Horizontal & Vertical Propane Cylinder w/POL, Gauge & Wheels

- Never run out of propane – built-in accurate gauge
- The HOG can be used both vertically and horizontally
- EZ-HANDLE collar design. Collar has a built-in formed handle with no sharp edges
- Built-in wheels for ease of transport
- Rugged, high grade steel welded construction
- Rust inhibiting Durabond, powder coated for long lasting exterior protection
- Clean, dry and scale free interiors

#YSN100HOG

REFRIGERANT TANKS

#FLMKNG141R
#FLMKNG141R-NR

2 LB Refrigerant Cylinder (23 Oz)

• Standard ¼ NPT available with refillable valve or non refillable with shut-off valve

Weight: **1.8 lbs**
Capacity: **1.2 lbs**
Dimensions: **2.75 x 2.75 x 11.25 in**
Pallet quantity: **30 pieces**

#YSN301R

30 Lb Refrigerant Cylinder

- Equipped with a Y-valve for liquid and vapor, and an integrated pressure relief valve. Includes 3/4 inch NPT opening that accepts 80 percent fill float switch shut-off device. *Float switch device not included*

Weight: **18 lb,**
Capacity: **28 lbs**
Dimensions: **9.1 x 9.1 x 18.52 in**
Pallet quantity: **100 pieces**

#YSN501R

50 Lb Refrigerant Cylinder

- Equipped with a Y-valve for liquid and vapor, and an integrated pressure relief valve. Includes 3/4 inch NPT opening that accepts 80 percent fill float switch shut-off device. *Float switch device not included*

Weight: **28 lb,**
Capacity: **47.7 lbs**
Dimensions: **12.3 x 12.3 x 19.3 in**
Pallet quantity: **60 pieces**

#YSNR123

123 Lb Refrigerant Cylinder with Multi Valve

- Equipped with a with a multivalve, it has a 3/4 inch NPT opening that accepts 80 percent fill float switch shut-off device. *Float switch device not included*

Weight: **62 lb,**
Capacity: **123 lbs**
Dimensions: **10 x 10 x 59 in**
Pallet quantity: **16 pieces**

#YSNR239

239 Lb Refrigerant Cylinder, 400 PSI

- Equipped with a with a Liquid valve, Vapor valve and Pressure relief valve. Has a 3/4 inch NPT opening that accepts 80 percent fill float switch shut-off device. *Float switch device not included*

Weight: **118 lb,**
Capacity: **239 lbs**
Dimensions: **14.7 x 14.7 x 50 in**
Pallet quantity: **9 pieces**

#YSNR420-400

1000 Lb Refrigerant Cylinder with Forklift Footer, 400 PSI

- This 1000lb tank will suit your refrigerant recovery needs. It is equipped with a Liquid valve, Vapor valve and Pressure relief valve. It has a 3/4 inch NPT opening that accepts 80 percent fill float switch shut-off device. Float switch device not included

Weight: **541 lb,**
Capacity: **1000 lbs**
Dimensions: **30 x 30 x 57 in**
Pallet quantity: **1 pieces**

Pre-purged vacuum sealed and ready for filling with new and recovered refrigerant. X-ray and hydro-static tested plus Department of Transportation (DOT) and Transport Canada (TC) certified as well as conforming to DOT-4BA-400 specifications and ARI guidelines

RV/FOOD TRUCK TANKS

#YSN-ASME5.9

Weight: **38 lb**
Capacity: **5.9 gal**
Dimensions: **31 x 8 x 8 in**
Pallet quantity: **15 pieces**

5.9 Gal ASME Cylinder

- ASME Certified
- Solenoid Service Valve
- Remote fill and bleeder fittings, & relief valve
- Remote ready gauge
- High grade steel welded construction
- Powder coated for long lasting exterior protection

#YSN122LB

Weight: **50 lb**
Capacity: **12.2 gal**
Dimensions: **28 x 12.3 x 12.3 in**
Overall Height: **15.5 in**
Pallet quantity: **12 pieces**

12.2 Gal ASME Cylinder

- ASME Certified
- Fill valve, relief valve and level gauge installed
- High grade steel welded construction
- Powder coated for long lasting exterior protection

#YSN203

Weight: **78 lb**
Capacity: **20.3 gal**
Dimensions: **27 x 16 x 16 in**
Pallet quantity: **10 pieces**

20.3 Gal ASME Cylinder w/Lg Mnt Brackets

- ASME Certified
- Fill valve relief valve and level gauge installed
- High grade steel welded construction powder coated for long lasting exterior protection

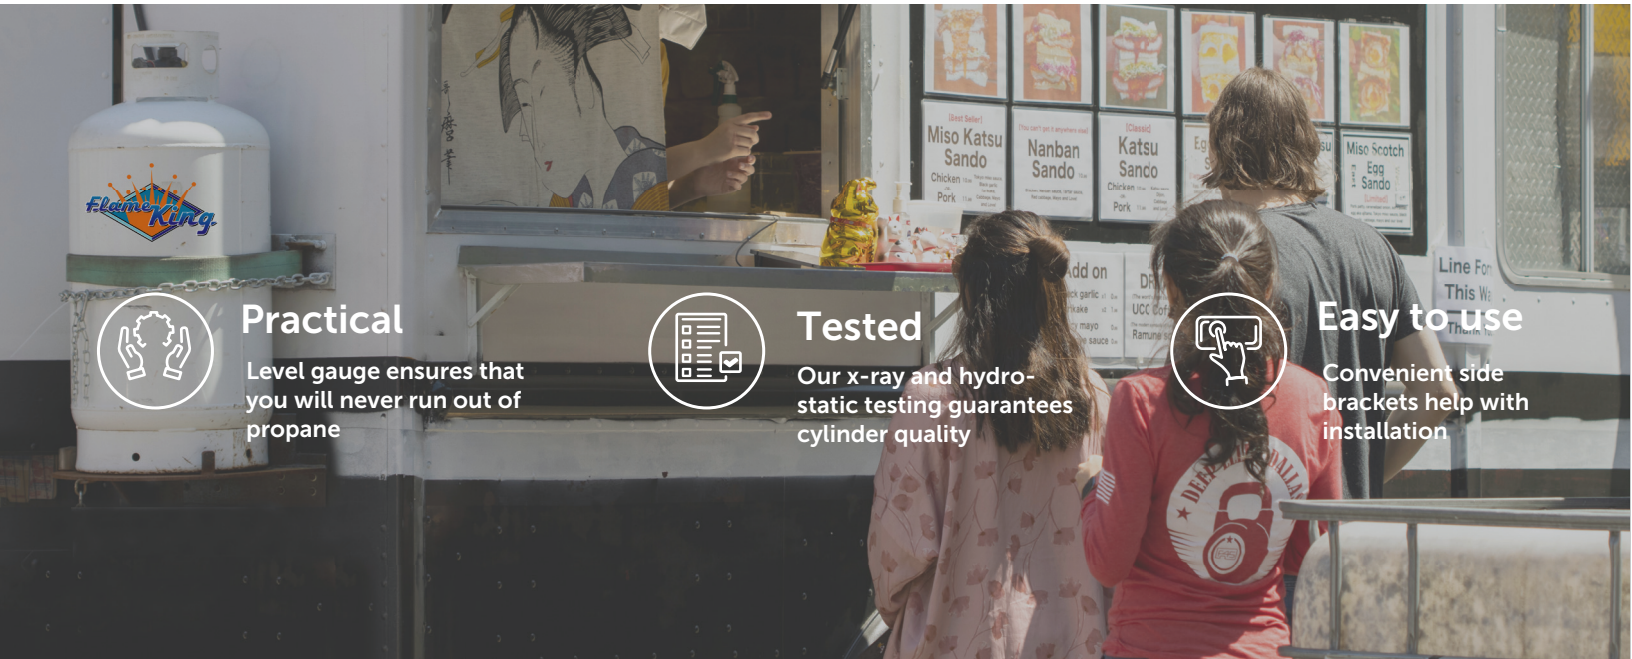

#YSN293

Weight: **98 lb**
Capacity: **29.3 gal**
Dimensions: **48 x 14.34 x 14.88 in**
Pallet quantity: **8 pieces**

29.3 Gal ASME Cylinder

- ASME Certified
- Fill valve, relief valve and level gauge installed
- High grade steel welded construction
- Powder coated for long lasting exterior protection

Practical

Level gauge ensures that you will never run out of propane

Tested

Our x-ray and hydro-static testing guarantees cylinder quality

Easy to use

Convenient side brackets help with installation

RV, TRAILER & OVERLANDING

RV or Trailer Mounted Grill w/ Carry Bag, Black

- Flame King's BBQ and Grill station comes with a bracket to mount right onto the side of your motorhome, RV or trailer so you can have a cookout anywhere
- Includes an adjustable flame controller, upper grill deck, and 214 square inches of grilling surface
- The hanging rack can also be used as legs to make the grill free-standing, making this versatile grilling station perfect for tailgating and camping

Weight: **22 lb**
Package dimensions: **21 x 19 x 11 inches**
Assembled without legs: **17 x 20 x 8 inches**
Assembled with legs: **17 x 20 x 21.5 inches**
Pallet quantity: **42 pieces**

#YSN-HT-500

2 Burner Built-In RV Stove w/ Wind shield, CSA approved

- Great for RVs and camping, this lightweight gas drop-in cooktop stove eliminates concerns of weight and space restrictions
- Two burner sizes feature 7200 BTU oval grate and 5200 circular grate for powerful cooking on the go!
- Protect your travel stove with included cover. Wind guards keep flame from going out during cooking and cover fits securely for easy storage and trave6

Weight: **15 lb**
Dimensions: **18.5 x 13 x 4.5 inches**
Fits counter cut outs: **16-1/8 x 11 5/16 inches**
Pallet quantity: **60 pieces**

#YSN-HT-600-i

17" Griddle with 1 Lb Regulator

- **COMPLETE GRILLING STATION** This incredibly convenient motorhome compatible gas griddle w/ 12,000 BTU includes an adjustable flame controller
- **MOUNTABLE * OPTIONAL BRACKET AVAILABLE** Or you can go without any rack and use on the tabletop.

#YSNFM-HT-100NB

Weight: **28 lb**
Dimensions: **19 x 17 x 9 inches**

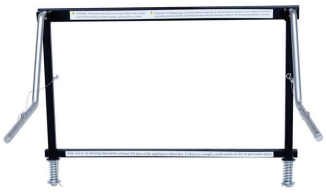

17" LP Griddle with Small Regulator for RV pullout

- Place the Griddle in your RV's pullout for convenient cooking
- Teflon Coated Flat Cast Iron ready for cooking.
- Gas Griddle connects to your 3/8 Inch Female Flare Hose: NOT INCLUDED

Weight: **28 lb**
Package dimensions: **19 x 17 x 9 inches**
Pallet quantity: **24 pieces**

#YSNFM-HT-200

Trailer Mounting Rack for RV Grill or Griddle

- Enables mounting Grill Griddle on RV
- Made of 100% Steel for added Durability
- Compact and portable bracket.
- Dual locking lid for secure storage.

#YSNGRD-BRKT

Weight: **5.4 lb**
Dimensions: **20 x 14 x 16 inches**

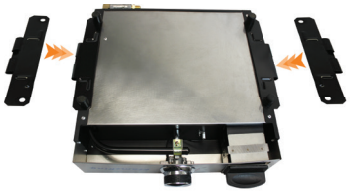

Leg Brackets for TableTop Griddle

- Designed to fit the Cast Iron Propane Grill Griddle by Flame King
- Enables mounting the Flame King Grill Griddle on RVs, Vans and Campers
- Made of 100% Steel for added durability

#FK-GRD-LGBKT

Weight: **0.5 lb**
Dimensions: **8.5 x 2.75 x 0.63 inches**

(bottom view of griddle assembly)

RV, TRAILER & OVERLANDING

#YSNBRK05

Weight: **3.22 lb**
Dimensions: **8.13 x 8.13 x 9.45 in**

5 Lb Propane Tank Mounting Bracket Strap

- Flame King 5LB T-Rack Propane Tank Bracket will securely hold your 5LB cylinder in place preventing it from rolling and tipping when travelling through rough roads
- Made in durable and high-quality steel frame; FITS the Flame King 5LB tank ONLY
- Stainless steel strap is lined with a rubber padding to protect your tank.

#YSNBRK010

Weight: **4 lb**
Dimensions: **8.13 x 8.13 x 13 in**

10 Lb Propane Tank Mounting Bracket Strap

- Flame King 10LB T-Rack Propane Tank Bracket will securely hold your 10LB cylinder in place preventing it from rolling and tipping when travelling through rough roads
- Made in durable and high-quality steel frame; FITS the Flame King 10LB tank ONLY
- Stainless steel strap is lined with a rubber padding to protect your tank.

#KT20MNT

Weight: **9 lb**
Dimensions: **24 x 9 x 18 in**
Rod size: **17.5 in**
Case quantity: **1**

20 Lb LP Mounting Parts

- Securely holds two 20 pound propane tanks
- Fast and easy to use
- Built from a durable powder coated steel
- Tanks, regulator and pigtails not included

#KT30MNT

Weight: **9 lb**
Dimensions: **24 x 9 x 24 in**
Rod size: **23.5 in**
Case quantity: **1 piece**

30 Lb LP Mounting Parts

- Securely holds two 30 pound propane tanks
- Fast and easy to use
- Built from a durable powder coated steel
- Tanks, regulator and pigtails not included

#KT40MNT

Weight: **9 lb**
Dimensions: **24 x 9 x 30 in**
Rod size: **29.5 in**
Case quantity: **6 piece**

40 Lb LP Mounting Parts

- Securely holds two 40 pound propane tanks
- Fast and easy to use
- Built from a durable powder coated steel
- Tanks, regulator and pigtails not included

RV, TRAILER & OVERLANDING

Weight: **5.8 lb**
Dimensions: **29x 14 x 19.5 in**
Case quantity: **10 pieces**

Dual 20 Lb Propane Tank Cover

#YSN-PCC-RV20

- Easy access port on side, to see and adjust regulator
- Individual access ports on top, to access cylinder valves separately
- Fits Two 20 lb steel propane tanks
- Made of heavy-duty polypropylene
- Available in Black or White

#YSN-PCC-RV20-WHT

Weight: **7.14 lb**
Dimensions: **29x 14 x 25 in**
Case quantity: **10 pieces**

Dual 30 Lb Propane Tank Cover

#YSN-PCC-RV30

- Easy access port on side, to see and adjust regulator
- Individual access ports on top, to access cylinder valves separately
- Fits Two 30 lb steel propane tanks
- Made of heavy-duty polypropylene
- Available in Black or White

#YSN-PCC-RV30-WHT

Tankless Outdoor Mini Portable Propane Gas 5L 1.32 GPM Water Heater 34,000 BTU

- Fully adjustable control knobs Water/Gas Setting,
- Durable steel cased water heater designed to last
- Auto-cut off water control
- over-pressure overheating and flameout protection

#YSNAZ132

Weight: **11 lb,**
Dimensions: **5.5 x 12 x 15 in**
Pallet quantity: **60 pieces**

Tankless Outdoor Portable Propane Gas 10L 2.64 GPM Water Heater 68,000 BTU

- Fully adjustable control knobs and visual digital meter – Winter/Summer Setting, MIN/MAX Gas Setting, MAX/MIN Water Flow Rate Setting, Digital Water Temperature Meter
- Auto-cut off water control
- over-pressure overheating and flameout protection
- Durable steel cased water heater designed to last

Deluxe Performance Torch

- HIGH-INTENSITY WEBBED FLAME – perfect for basic plumbing repairs, lighting grills, thawing frozen pipes and locks, soldering copper pipes, loosening rusted buts and bolts, removing paint, and general DIY heat applications
- TRIGGER START IGNITION easily ignites the flame
- FLAME ADJUSTMENT KNOB easily adjusts the flame size

#FK-028CGA

Weight: 1.14 lb
Dimensions: 3.5 x 1.5 x 11.5 in, Case quantity: **20 pieces**

WEED BURNERS

Propane Torch Weed Burner with Integrated Lighter

- Flame control valve to easily control flame size
- Molded handle for easy grip and comfort
- Integrated self-lighting ignition for quick flame
- Compatible with 1 Lb camping cylinder

#YSNPQ810CGA

Weight: **2.5 lb**
Dimensions: **33 x 7 x 1 in**, Case quantity: **4 pieces**

Propane Torch Wide Flame Weed Burner with Integrated Push Button Igniter

- Flame control valve to easily control flame size
- Molded handle for easy grip and comfort
- Integrated self-lighting ignition for quick flame
- Arrives fully assembled
- Compatible with 1 Lb camping cylinder

#YSNPQ820S

Weight: **1.12 lb**
Dimensions: **38 x 4 x 2 in**, Case quantity: **6 pieces**

Propane Torch Wide Flame Weed Burner with Integrated Push Button Igniter

- Flame control valve to easily control flame size
- Molded handle for easy grip and comfort
- Integrated self-lighting ignition for quick flame
- Arrives fully assembled

#YSNPQ1000T

Weight: **4.07 lb**
Dimensions: **159 x 2 x 3 in**, Case quantity: **6 pieces**

Propane Torch with Blast Trigger

- 320,000 BTU propane torch
- Flame control knob easily sizes flame
- Safety lever valve for added control and protection
- Perfect for burning brush and weeds, melting snow and ice and much more

#YSN320K

Weight: **3.09 lb**
Dimensions: **96 x 3 x 2.5 in**, Case quantity: **6 pieces**

Auto Ignition Propane Torch with Blast Trigger

- 340,000 BTU propane torch
- Flame control knob easily sizes flame
- Self ignition to allow for easy lighting
- Safety lever valve for added control and protection

#YSN340K

Weight: **3.49 lb**
Dimensions: **104 x 3 x 2.77 in**, Case quantity: **6 pieces**

Propane Weed Burner Torch 340,000 BTU with Battery Operated Igniter

- Auto-igniter with the constant flow of sparks makes lighting this torch very easy. Requires a single AAA size battery (not included).
- 340,000 BTU propane torch
- Molded handle for additonal control and comfort

#YSN340K-AI

Weight: **3 lb**
Dimensions: **108 x 3 x 2.3 in**, Case quantity: **6 pieces**

Heavy Duty Propane Torch Weed Burner, Black, Comes with Flint Striker

- 500,000 BTU propane torch
- Molded handle for additonal control and comfort
- Perfect for burning brush,weeds and more

#YSN500K

Weight: **5.15 lb**
Dimensions: **159 x 3 x 3 in**, Case quantity: **8 pieces**

Heavy Duty Propane Torch Weed Burner, Black, w/Push Button Piezo Ignitor

- 500,000 BTU propane torch
- Self ignition to allow for easy lighting
- Molded handle for additonal control and comfort
- Perfect for burning brush,weeds and more

#YSN500K-IG

Weight: **5 lb**
Dimensions: **159 x 3 x 3 in,** Case quantity: **8 pieces**

WEED BURNERS

Dual Head Propane Torch Weed Burner, Black, w/Push Button Piezo Ignitor

- 1,000,000 BTU propane torch
- Self ignition to allow for easy lighting
- Molded handle for additonal control and comfort
- Ideal for home, garden, farm, industrial and construction use
- Cut down time with dual torch heads
- Perfect for burning brush,weeds and more

#YSN1000K

Weight: **5.15 lb**
Dimensions: **232 x 8 x 3 in,** Case quantity: **6 pieces**

Backpack for 10 Lb or 5 Lb Propane Tank

- Two heavily padded shoulder straps for added comfort and security
- Steel clips for securing top of tank
- Wide waist strap to relieve back pressure
- Straps made of high grade cotton and frame made of steel for added durability
- Incredibly lightweight to allow for less strain

#YSNBKPK

Weight: **3.39 lb**
Dimensions: **19 x 10 x 3 in,** Case quantity: **10 pieces**

Alice Frame Backpack for 10 Lb Propane Tank

- Two heavily padded shoulder straps for added comfort and security
- Wide waist strap with to relieve back pressure
- Straps made of high grade cotton and frame made of steel for added durability
- Incredibly lightweight to allow less strain

#YSNBKPK-AF

Weight: **8.23 lb**
Dimensions: **20 x 14 x 6 in,** Case quantity: **10 pieces**

GRILL/LOG LIGHTERS

Propane Torch Charcoal Ignitor

- 20,000 BTU propane torch Slanted shaped torch to allow it to be left on standing bottle while lighting
- Flame control knob easily sizes flame
- Molded handle for added stability and comfort
- Auto ignition for easier lighting
- Ideal for burning brush and weeds, starting your charcoal grill and much more

#YSNAX1-108

Weight: **1.21 lb**
Dimensions: **18 x 4 x 1 in**
Case quantity: **20 pieces**

Propane LP Log Lighter Starter for Fireplace, Furnace and Fire pits

- Flame control valve to easily control flame size
- Ideal for starting campfires and fire pits
- Perfect for all outdoor spaces such as camping or even your backyard
- Compatible with 1LB camping cylinder

#YSNFS-03

Weight: **1 lb**
Dimensions: **34 x 3 x 2.5 in**
Case quantity: **20 pieces**

Propane LP Log Lighter Starter for Fireplace, Furnace and Fire pits

- Flame control valve to easily control flame size
- Ideal for starting campfires and fire pits
- Perfect for all outdoor spaces such as camping or even your backyard
- Compatible with standard propane cylinders including 5lbs, 10lbs, 20lbs, 30lbs, 40lbs & 100lbs
- Includes a 5 feet hose rated at 350 PSI

#YSNFS-02

Weight: **2.55 lb**
Dimensions: **33 x 2 x 1 in**
Case quantity: **10 pieces**

PROPANE ACCESSORIES

Gauge Scale w/Digital Indicator

- Compatible with 5, 10, 20, 30 and 40lb tanks
- High precision weight sensor
- Clear display screen
- Durable weight hook
- Molded comfort grip
- Auto power off when not in use

#YSNGPS

Weight: **6 oz**,
Dimensions: **4.75 x 3.25 x 1 in**
Case quantity: **100 pieces**

Propane Gas Level Gauge Indicator

- Emergency flow control – Detects gas leaks and restricts flow, ensuring your safety
- UL Approved, ANSI Z21. 18, CSA 6. 25 Approved
- Fits appliances with type 1 connection.
- Quality brass construction
- Glow-in-the-dark dial
- Works with other adapters such as propane regulators

#YSN212B

Weight: **0.11 lb**, Dimensions: **4.25 x 2.5 x 2 in**
Case quantity: **80 pieces**, Pallet quantity: **2,880 pieces (36 cases)**

Dual 1 Lb Propane Tank Carrier

- Two inner CGA fittings for two 1 lb camping propane bottles
- One QCC outer fitting to connect to propane appliances that normally connect to standard 20 lb BBQ cylinder
- Built in handle for easy transporting
- Made of hard plastic for added durability

- 20lb Valve w/OPD w/DT 4.0

#VOPD20

Weight: **1 lb**, Case quantity: **50 pieces**
Pallet quantity: **2,250 pieces (45 cases)**

HOSES & FITTINGS

12" RV Or Trailer Propane Tank Pigtail Hose Connector

- Rated for 200, 000 BTUs per hour
- ACME nut x 1/4" inverted male flare
- Connect your camper's 1/4" inverted flare inlet regulator to a 20 lb or 30 lb LP tank
- Thermal protection and excess flow protection

Weight: **0.4 lb**
Dimensions: **12 x 1 x 1 inches**
Case quantity: **100 pieces**

#E12INPT

15" RV Or Trailer Propane Tank Pigtail Hose Connector

- Rated for 200, 000 BTUs per hour
- ACME nut x 1/4" inverted male flare
- Connect your camper's 1/4" inverted flare inlet regulator to a 20 lb or 30 lb LP tank
- Thermal protection and excess flow protection

Weight: **0.8 lb**
Dimensions: **18 x 1.5 x 1.5 inches**
Case quantity: **100 pieces**

#E15INPT

18" RV Or Trailer Propane Tank Pigtail Hose Connector

- Rated for 200, 000 BTUs per hour
- ACME nut x 1/4" inverted male flare
- Connect your camper's 1/4" inverted flare inlet regulator to a 20 lb or 30 lb LP tank
- Thermal protection and excess flow protection

Weight: **0.9 lb**
Dimensions: **20 x 1.5 x 1.5 inches**
Case quantity: **100 pieces**

#E18INPT

1/4" NPT Pigtail Propane Hose Connector, 18"

- Measures 18 inches
- Rated for 200,000 BTUs per hour
- Type 1 ACME nut and has 1/4" Male NPT
- Connects propane cylinder to RV or trailer propane regulator
- Provides thermal protection and excess flow protection

Weight: **6.4 oz**
Dimensions: **18 x 1 x 1 inches**
Case quantity: **100 pieces**

#MB100473-18

1/4" NPT Stainless Steel Braided Propane Pigtail Hose 2 Pack for RV Regulators, 12"

- Measures 12"
- Rated for 200,000 BTUs per hour
- Type 1 ACME nut and has 1/4" inverted Male NPT
- Connects propane cylinder to RV or trailer propane regulator
- Provides thermal protection and excess flow protection

Weight: **15 oz**
Dimensions: **12 x 1 x 1 inches**
Case quantity: **75 pieces**

#FK-SSPT-12INX2

1/4" NPT Stainless Steel Braided Propane Pigtail Hose 2 Pack for RV Regulators, 18"

- Measures 18"
- Rated for 200,000 BTUs per hour
- Type 1 ACME nut and has 1/4" inverted Male NPT
- Connects propane cylinder to RV or trailer propane regulator

Weight: **2 lb**
Dimensions: **18 x 1 x 1 inches**
Case quantity: **75 pieces**

#FK-SSPT-18IN-NPTX2

1/4" Inverted Male Flare, Stainless Steel Braided Propane Pigtail Hose 18"

- Each hose measures 18" inches
- Rated for 200,000 BTUs per hour
- ACME (Type 1/QCC) nut x 1/4" inverted male flare
- Includes thermal protection in case of fire and excess flow protection in case of a broken gas line.
- Connect your Camper's 1/4" inverted flare inlet regulator to 5lb-40lb tanks

Weight: **0.79 lb**
Dimensions: **18 x 0.75 inches**
Case quantity: **75 pieces**

#FK-SSPT-18IN-FLAREX2

HOSES & FITTINGS

Flexible 5 FT Extension Hose For 1 Lb Propane Tank Cylinder

- Works on any CGA 600 standard torch and cylinder
- 60" of flexible hose
- Belt clip to conveniently hold cylinder
- Flame control valve easily sizes flame and extinguishes when finished
- For best results, use with Flame King 1lb refillable cylinder

Weight: **1.76 ounces**
Dimensions: **16 x 7 x 2 inches**
Case quantity: **25 pieces**

#YSNMT48

8 Ft 1 Lb Propane Tank Gas Hose Adapter Extension

- 8" propane hose
- 1"-20 Male throwaway cylinder thread x 1"-20 Female throwaway cylinder thread
- Connect an appliance designed for 1lb disposable cylinder to a tee, "Y", or distribution tree
- Connect an appliance designed for a 1lb cylinder to your rv's onboard LP

Weight: **1.03 lb**
Dimensions:**8 x 1 x 1 inches**
Case quantity: **25 pieces**

#AL193-8

4 Feet Propane Adapter Hose 1 Lb to 20 Lb Converter Replacement for QCC1

- Hose with adaptor fittings for connecting LP tanks to equipment
- Weather-proof, low-pressure hose extends a full 4'
- Long-lasting brass fittings offer superior durability; type-1 tank connection
- Perfect for lanterns, camp stoves, tabletop grills

Weight: **11.7 ounces**
Dimensions: **4 x 1 x 1 inches**
Case quantity: **25 pieces**

#YSN-QCC-1LB

5 FT QCC to CGA600 Male Connection-Steel Braided Hose

- This adapter will allow use on a larger tank (like a 20 lb BBQ tank) giving you increased usage time
- Solid brass connection provides you with a secured connection and durability, long lasting and is easy to use
- Perfect for all your camping, tailgating, heating needs or even just having an outdoor cookout.

Weight: **1.4 lb**
Dimensions: **60 x 2 x 2 inches**
Case quantity: **50 pieces**

Hose and Regulator for Grills with Side Burner

- Fits Type-1 (QCC-1) tank connections
- 24"weather proof low pressure hoses
- Tool-less attachment to tank
- Long lasting brass fittings

Weight: **1.17 lb**
Dimensions: **27 x 3 x 2 inches**
Case quantity: **25 pieces**

#ALRYQC02

5 FT QCC to 3/8" Female Flare Nut w/Regulator-Steel Braided Hose

- Low pressure propane hose with regulator, Outlet Pressure is 11"W.C(1/2 PSI)
- 3/8 Female Flare Fitting, fits most gas grills, stoves and fire pits
- Solid brass connection provides you with a secured connection and durability, long lasting and is easy to use

Weight: **1.12 lb**
Dimensions: **60 x 3 x 2 inches**
Case quantity: **20 pieces**

#SS-QCC-3/8

3/8" Quick Connect Hose Adapter 20 Lb Tank Regulator Kit

- Solid brass pre-installed fittings on 12-feet regulator hose
- 150" overall length
- OUTLET PRESSURE: 11" W.C. PSIG MAX FLOW CAPACITY
- 65,000 BTU P/HR

Weight: **2 lb**
Dimensions:**150 x 2.7 x 2.2 inches**
Case quantity: **20 pieces**

#FK-HTR-QC12FT

HOSES & FITTINGS

6 Ft Propane Gas Regulator Hose Adapter Connect to 20 Lb Tank for 17"/22" Blackstone Tabletop Grill Griddle

- Hose allows direct connection to a standard larger BBQ tank
- Heavy-Duty Brass Connector for added durability
- Built in Regulator
- 72" overall hose length
- Compatible with Flame King and Blackstone Griddle

Weight: **1.31 lb**
Dimensions: **76 x 2.7 x 2.2 inches**
Case quantity: **30 pieces**

#FK-GRD-REGHS6FT

90º Low Pressure Regulator Assembly with A Female Quick Disconnect Outlet

- 90º Low Pressure Regulator with a Type 1 Tank connection and 3/8" Female Quick Connect Hose
- Available in 6', 8' and 12' Overall Length
- OUTLET PRESSURE: 11" W.C. PSIG MAX FLOW CAPACITY
- 65,000 BTU P/HR
- Temperature Range – 40ºF to 130º (- 40ºC to 55ºC)
- Certification – UL144 / UL569 Used for LP Gas only.

Weight: **1.4 lb**
Dimensions: **96 x 2.2 x 2.7 inches**
Case quantity: **20 pieces**

#LPRH

RV, Van, Trailer, Dual Quick Connect Hose, LP Gas Only, 1/4"

- 1/4" ID Thermo Plastic Hose Assembly including a 1/4" Model 250 Male Quick Disconnect Plug x 1/4" Model 250 Female Quick Disconnect
- Available in 48" and 72" Overall Length
- Maximum Pressure Rating – 1/2 PSI; Temperature Range : -40°F to 140°F (-40°C to 60°C)
- Certification – CSA/CGA 8.3 Used for LP Gas Only

Weight: **10.2 ounces**
Case quantity: **50 pieces**

#100395

RV, Van, Trailer Low Pressure Quick Connect Pigtail, 3/8" ID Female SAE Gas Flare Fitting

- 3/8" female SAE gas flare fitting
- For use with the 100395 series hoses
- Available in 48" and 72" Overall Length

Weight: **6.4 ounces**
Case quantity: **50 pieces**

#100304

Thermo Rubber RV Slide Out Hose Assembly, 3/8" ID, Female to Female

- 3/8" ID Thermo Rubber Hose Assembly including a 3/8" Female Flare on each end
- Available in 48", 60", 72", 96" and 106"
- Maximum Pressure Rating – 350 PSI; Temperature Range : -40 degree Fahrenheit to 140 (-40 degree Celsius to 60 Celsius)
- Certification – UL569 Used for LP and Natural Gas

Weight: **11 ounces**
Case quantity: **25 pieces**
